Autotrader.com's Advertising Specifications

SuperHero - OEM Video

Note: Custom Ad Solution

Last updated: January 31, 2024

Description

The SuperHero ad unit is an attention-getting unit that creates a “wow” factor with its persistent presence and high visibility placement on the Homepage and Used Car, New Car, and Research Landing Pages. The ad unit remains in a persistent location directly below the site’s primary navigation. It appears full size on page load and remains expanded. The large canvas commands full attention while captivating and engaging the consumer with your brand message. Generate awareness among shoppers while leveraging video assets to create a deeper experience on Autotrader.com that invites users to enjoy your rich content or quickly get additional information.
