KBB.com Advertising Specifications | Native Recommendation Module

1

Description

Our innovative adaptive/responsive native ad unit is designed to elevate your brand's presence by showcasing three vehicles from your OEM lineup. This ad unit seamlessly integrates into the browsing experience, highlighting essential features that matter most to potential buyers:

- **KBB Expert Rating:** Build trust by displaying authoritative expert reviews.
- **MSRP:** Provide clear pricing information to attract budget-conscious shoppers.
- **Horsepower:** Emphasize performance specs to appeal to enthusiasts.
- **MPG/e:** Highlight fuel efficiency to cater to eco-conscious consumers.

This highly engaging ad unit targets loyal brand owners and upper funnel shoppers who are still in the decision-making phase. By presenting detailed and relevant information, it helps capture the attention of those exploring various models, increasing the likelihood of conversion. *Serves in top MREC position, inline positions on SRP page.
