Description

Certified Pre-Owned (CPO) Advantage contextually promotes the benefits of buying certified pre-owned through an enhanced creative experience showcased on Autotrader.com certified and used vehicle details pages. The custom native 300x250 features certified inventory and drives the user to the Certified Pre-Owned Advantage landing page that is branded with an OEM lifestyle image and content. A comparison chart displaying a used vehicle in the first position followed by certified vehicles allows the user to evaluate used and certified pre-owned vehicles.
