KBB.com's Advertising Specifications

Enhanced SuperHero

Note: Custom Ad Solution

Last updated: July 13, 2026

Description

The Enhanced SuperHero ad unit is an attention-getting unit that creates a “wow” factor with its persistent presence and high visibility placement on the Homepage and Car Values, Car Prices, and Car Research Landing Pages. Directly below the site’s primary navigation, the large canvas commands full attention while captivating and engaging the consumer with its animated header copy and auto scrolling to each of your brand messages. Offering up to three panels for messaging, you can choose from multiple options to captivate and engage the consumer with your brand message through standard messaging, video messaging that invites users to enjoy your rich content or quickly get additional information, and by leveraging the content from KBB.com Editors.
