KBB.com's Advertising Specifications

More Shopping Tools - Custom Compare

Note: Custom Ad Solution

Last updated: February 8, 2023

Description

More Shopping Tools Module – Custom Compare is designed to not only capture and retain shoppers while they are in active search mode, but it also builds credibility and trust with its native look and feel.

This particular ad unit emphasizes the user’s natural inclination to research a particular model by featuring numerous key KPI links, maximizing opportunity to drive shopping actions. It also features KBB.com’s Expert Rating,* among other useful data points, that are dynamic within the creative. *MSRP or Horsepower may be featured.

The intent of the template options enables advertisers to increase on-page relevancy, enhance performance, and differentiate the messaging.
